

THERE IS STRENGTH IN NUMBERS!

From the days of the Caveman and square wheels to the 1930's construction of the Golden Gate Bridge that was engineered by Joseph Strauss, the ingenuity of man has truly come a long way!!! The exact time, designer and location where the first wheel rolled into the world is unclear, but it has simplified life for many people

throughout history, and the Golden Gate Bridge in San Francisco has made life more convenient for over 112,000 motor vehicles that cross over the bridge every day.

The roadway of the Golden Gate Bridge is suspended from two massive, three-foot round cables. Each cable consists of 61 bundles of steel wire, each bundle containing 27,572 small steel wires about the size of a pencil. To give the cables great strength, a process invented in the 1800s called "Cable Spinning" was used to wind the cables together (this concept is also found in the Bible in the book of Ecclesiastes, 4:12 where it says, "*a cord of three strands is not easily broken.*") To the onlooker of the bridge, it appears the bridge is suspended from two large cables, but in reality, it is suspended from 55,144 tiny wires wound together that gives it great strength.

There is strength in numbers, a truth promoted by the apostle Paul when he used the human body as an illustration for the Body of Christ. Each cell in the human body is like an individual person in the Church. The faith of one member is multiplied exponentially when combined with the faith of every other member. Whether one wire in a cable, one cell in a body, or one believer of the church . . . each individual part is important.

You will hear more on this beginning on April 14th as we begin a new sermon series developed by Pastor Shawn, "GPS". It is a series to help us each discover and understand our "Gifts, Passions, and our Story". I believe these messages will help each person in our church family identify how we can all minister together to maximize our Kingdom impact in the Newville and surrounding communities.

Let me leave you with the words of the writer from Hebrews: "And let us consider one another in order to stir up love and good works, not forsaking the assembling of ourselves together, as in the manner of some, but exhorting one another.

Loving You, Serving With You,
Pastor Wayne

What is your GPS?

Close your eyes. Think back to the first vacation or day trip you ever went on with your family growing up or your family now. Maybe you see your Dad or Mom driving in the front seat, or perhaps you're the one driving. The kids are in the back seat asking the dreaded question every five minutes: "Are we there yet?" As a result of the boredom, they start to pick on one another, and you hear or say, "Don't make me pull this car over!"

All joking aside, when we go on a trip, whether to another state, a local attraction, or even for some, to the grocery store, we need a navigation system leading us to move in the right direction. Depending on what generation you represent, this may have been a sizeable foldable map, a map quest paper, or it could've been a first-generation car navigation system, or even your phone. The point is, we needed help to get where we needed to be (**because there's no chance we were stopping to ask for directions!**)

In the same way, our lives, living on a mission for Jesus, requires a GPS. Luckily for us, **God has given us all of the tools necessary to**

"Find Your Place", to find our GPS. From April 14th through May 19th, we are excited to be working through our next sermon series, GPS (Gifts, Passions and Story).

Through this series, we hope that we can come to understand our design more deeply. Then, **by understanding our spiritual and natural gifts, passion, and story (testimony), we can discover how we can partner with God in a way specific to our design, creating maximum kingdom impact.** We can't wait to walk with you in unlocking our potential in Christ because we have a collective and individual purpose that God has called us to walk out to bring Him great glory.

To My Church Family, Thank you for all your prayers, phone calls, cards and visits since my accident. I am truly blessed to have all of you in my life. God bless each and every one of you.
Love, Teresa Hockenberry

Pastor Wayne, Elaine and Church Family, We apologize that it has taken so long to express our deepest gratitude during this immensely difficult time. Our lives have changed so drastically in such a short amount of time and it's been quite an adjustment to say the least. Our dear Kaydi girl was the center of our universe. Her life was such a special blessing and we feel honored and privileged to have been chosen to receive such a special gift. Amber, Ariel and Kaydi were gifts to us all and it is such a comfort to know they are all completely whole and healed and in the presence of Jesus. Thank you all for your thoughts and prayers. We could not manage without the kindness, love, and support so many of you have shown. Please know we are genuinely grateful for all you have done for us. We are so fortunate to have such a loving and supportive family here at Newville First Church of God.
Much Love, The Coover Family, Walt, Peggy and Dylan

Dear Church, Miss Toni and I want to thank you for your prayers and generous support to the ministry to the Navaho people. Pray we will finish well and with his joy. May God bless you all.

In His Path, Miss Toni and John

First Church of God, Neighbors in Christ thanks your congregation for their awesome gift to our ministry. Your check in the amount of \$4,000.00 will go a long way helping local families who have no where else to turn for financial assistance. Your church's generosity is truly a blessing to our efforts. Thank you for making a difference!
Kathy Day, Corresponding Secretary

To our friends and supporters at Newville First Church of God! Just a note to thank you for allowing us to hold our meetings on the first Thursday of each month at one of your meeting rooms. We so appreciate this kindness. Sincerely & God bless.
Kathy Frey & the Newville Historical Society

Dear Members of the First Church of God, This is a time of many changes - daylight hours lengthen, flowers bloom, robins sing - but the need for food never changes. The Big Spring Area Food Bank thanks you for your generous gift of \$500.00 to continue to provide food for those in need. Your commitment to the food bank is greatly appreciated.
In Christ's Service, Debbie Seveger, BSAFB

Our love and sympathy is extended to Barbara Witter on the passing of her husband, Jim Witter, on Wednesday, March 13th. Please keep Barbara and all of their families in your prayers.

Our love and sympathy is extended to Don & Shirley Heishman. Shirley's sister, Doris Nickel passed away on Saturday, March 9th. Please keep her family in your prayers.

Four Diamonds Concert

The **Four Diamonds Concert** is being held on **April 28th** at **4:00 pm** at the Zion Lutheran Church, Newville. Pastor Wayne and Elaine's niece, Kristen Kepner will be sharing her son Liam's journey of his diagnosis of brain cancer.

A **Community Choir** is being formed to sing for the **Four Diamonds Concert**. There will be one **rehearsal on Sunday, April 14th** at **3:00 pm**. If you are interested and would like more details, please talk to Mary Beth Miller or call her at 717-440-2111.

25 Years of Generosity

Thank you Louise Hoover for 25 years of generously giving of your time to fold our church bulletins each week. You mentored many people in how to fold them neatly and with a crisp fold, while making new friends and sharing your faith with those that helped.

If we did the math, you probably well exceeded 156,000 folds and also stuffing of bulletins. May God continue to bless you for your faithfulness and commitment to Him and His church.

If we have missed your birthday or anniversary on our calendar, please contact the church office.

1. If there is a wedge between you and God, this is the perfect time to return to His waiting arms. Guaranteed, He will never turn you away if you come sincerely. Don't be fooled by those who tell you otherwise.
2. Praise Jesus for putting Himself on the line, going through it all so we can have eternal life.
3. Pray for those with respiratory ailments, that they get relief and can breathe better. Pray they can get the meds they need.
4. Praise God that we can worship a living Savior, not some lifeless idol, but our Lord who defeated death.
5. Pray for our troops and their families, that they will all be safe and come home soon. Special prayers for the families who do not get a happy reunion.
6. Pray for everyone who are raising children, for patience, wisdom and optimism as they nurture them.
7. With all the talk about the upcoming eclipse and possible effects, we need to be watching all signs. But remember that God is in charge of all things. No reason to fear what He has under control. Keep praying for His guidance in all things and obey what you feel in your spirit that He is calling you to do, including to be praying for other's souls.
8. Pray for our church council as they meet, that wisdom and kindness will rule all decisions made. Always so many directions to take, but what is the perfect plan of God's will? Pray that path will be clear.
9. Pray for babies waiting to be born, that none will be aborted and all will be loved.
10. Praise God for sustaining Paw Packs as well as those who run it, volunteers, those who donate food, those who receive it with a grateful heart. Pray they will continue to be able to get the food they need to feed the children.
11. Pray for Pastor Wayne, Elaine and their family. What a blessing they are to us! Likewise for all the other pastors and their families as they serve.
12. Praise God that He has provided pastors to the other area churches as He planned. They work together well to promote God's kingdom.
13. Praise God for all the loved one He puts into your life. We often take these great gifts for granted. Don't forget to pray for their salvation before it is too late.
14. There is no way we can ever repay Jesus for what He went through on the cross for us. He doesn't really ask us to pay, except by giving him our heart and first place in our lives, trying to lead others to Him for salvation.
15. Praise God for the beautiful colors of Spring. So many different shapes, shades in plants, sky, everything around us. What a blessing to be able to see and enjoy these sights even with out possessing them.
16. Pray that there will be good crops growing this year, that plenty of food will be grown around the world to keep people/animals fed.
17. Pray for our country. If we ever needed God's leading, it is now. Pray for wisdom from the top government positions all the way down to local officials. Pray that the greed and self serving will stop, that all leaders will have their spirits broken from pride and will begin leading the people in good moral ways, protecting the citizens and doing their job.
18. Pray for Pastor Shawn and Kathy Hewitt as they work here among the youth and children. They give these young ones a very good bases for living a life of faith. Pray for their volunteer helpers, too. Also, for their families who give them good support.
19. Praise God for all the blessings He has put into your life. If that seems overwhelming, just think of 4 or 5 things/people you are grateful for.
20. Pray for those who are with unbelievers on a daily basis, that each one will be a good example of God's love, showing that being a Christian is a positive, loving life they'll want for themselves. Pray for their wisdom in answering questions, too.
21. Pray for rich and famous people. Sounds odd, but are they really happy with their lives? Pray they will truly find Christ and follow Him. They do have high profile lives and when they become Christians, it brings others to at least think about what this life means.
22. Pray for those who have been sold into slavery, especially sexual exploitation. It is much more common than most realize, even in this country. Prayer is a key, but there are ways to help, too. Keep your eyes open for people crying out for help. Their lives might depend on your observations. Be aware of everything going on around you.
23. Pray for all the children and teens of our church, that each one can stand up to peer pressure and grow stronger in their love for Jesus. They actually have a lot to teach the rest of us, too.
24. Pray for people having marriage problems, that they will turn to Christ for solutions, finding new love for each other there is help out there. Don't be afraid to ask for it.
25. Pray for missionaries, wherever they are. That each one will have the courage, wisdom and right words to say when an opportunity arises. Pray for their safety too, as persecution is becoming more common all over the world. Pray for those who have converted too, especially in countries where being a Christian is illegal.
26. Pray for those dealing with cancer or other severe diseases, that they will have courage and hopefully a healing from God, that they will be able to deal with treatments, immune deficiencies, etc. And that they will not come out of remission.
27. Pray for those with sleep disorders, that they can get the rest they need. It is more serious than just being tired all the time.
28. Pray for all the adults of our church, that each one will grow more in love with Jesus every day, and have more of burden for those who are headed to hell if they don't hear and understand the message of Salvation.
29. Praise God for the ability to laugh. God gave us a sense of humor, let's use it for His glory.
30. Pray for caregivers who take care of those who can't fend for themselves. It takes patience and strength. Pray they will stay strong in all ways, trusting God for help in dealing with their loved ones kindly, just as Jesus would do.
