Prayer of Sending

Musical Postlude

Welcome to everyone this morning as we worship the Lord. The Easter season is a reminder of our resurrected Savior. Some may question if Jesus really came back to life . . . well, if anyone could, Jesus could, and Jesus did!!! If this is your first time to worship with us, be sure to complete the Communication Slip on the side of the bulletin and place it in the offering plate or hand to one of the greeters. Let us join our hearts together in worship!

Send a note of encouragement to people in our congregation and our community. It brightens their day!

HELP WANTED – SOCIAL MEDIA TECHNICIANS

Do you have the skills and desire to design and maintain web pages? Are you gifted in social media communication? We are in need of a person or persons to maintain/update the church web page, to do updates to our Facebook page, and, to communicate with those who connect to our live-stream worship service on Sunday mornings. If you have skills in any of these areas (or be willing to learn) and would like to know more on how you can get plugged in to use your gifts in our Social Media ministries, please contact the church office at office@tcp.church, or Pastor Shawn at pastorshawn@tcp.church as soon as possible.

All Purpose Building Roof Replacement Pledge Cards

You are encouraged to join in the fun of giving in support of the roof project by "buying one pieced at a time!" Be sure to get your pledge card and as an individual, a family, a Connection Group class, pledge to buy some of the roofing materials. Our Children's Ministry has already committed to purchasing 15 boxes of screws! Make your selections soon while there are many choices you can make!

Close your eyes. Think back to the first vacation or day trip you ever went on with your family growing up or your family now. Maybe you see your Dad or Mom driving in the front seat, or perhaps you're the one driving. The kids are in the back seat asking the dreaded question every five minutes: "Are we there yet?" As a result of the boredom, they start to pick on one another, and you hear or say, "Don't make me pull this car over!"

All joking aside, when we go on a trip, whether to another state, a local attraction, or even for some, to the grocery store, we need a navigation system leading us to move in the right direction.

Depending on what generation you represent, this may have been a sizeable

foldable map, a map quest paper, or it could've been a first-generation car navigation system, or even your phone. The point is, we needed help to get where we needed to be (because there's no chance we were stopping to ask for directions!)

In the same way, our lives, living on a mission for Jesus, requires a GPS. Luckily for us, **God has given us all of the tools necessary to "Find Your Place", to find our GPS.** From April 14th through May 19th, we are excited to be working through our next sermon series, GPS (Gifts, Passions and Story).

Through this series, we hope that we can come to understand our design more deeply. Then, **by understanding our spiritual and natural gifts, passion, and story (testimony), we can discover how we can partner with God in a way specific to our design, creating maximum kingdom impact.** We can't wait to walk with you in unlocking our potential in Christ because we have a collective and individual purpose that God has called us to walk out to bring Him great glory
