Church, I wanted to thank all of those who gave me pastor appreciation and get well soon cards in my mailboxes in these last few weeks. Though I'm not officially a pastor at our church yet, I was blessed by your cards and kind words. I also wanted to thank you for the financial gifts as they replenished double what I had lost from being home sick with Covid-19. I am so blessed to serve this body of Christ and look forward to this upcoming year with you all. Thank you! Shawn Peale

Happy Veterans Day to our soldiers, both past and present! We observe this day to pay special tribute to those who have devoted themselves in service for their country, often putting their very lives on the line. Without them, we would not have the freedom and security we cherish every day. Our nation's greatness is built on the foundation of their courage and sacrifice.

We offer our prayers today as they continue to participate in the struggle to preserve our national heritage and to oppose tyranny and oppression. We also pray for the Lord's blessings on their families as they all pay a steep price for the service of their loved ones.

May God protect and minister to our Veterans in times of darkness and difficulty. They are our nation's finest!

(Dr. James Dobson and Focus on the Family)
