The Church Council met on Monday, May 10th. At this meeting we discussed our current COVID guidelines and whether there was a need for any changes. The following changes have been made by a unanimous council.

- 1) All signage was removed from the church. We feel that the congregation does know the protocols as we have now lived with this for over a year. There will be a sign on the entrance doors only stating that "masks are encouraged".
- 2) The Cafe will be opened. This will only be for coffee at this time.3) Greetings cards will once again be available.
- 4) Water coolers will be open for use but water fountains will not be.
- 5) Hand sanitizer will continue to be provided.
- 6) Masks will also continue to be provided at our entrances.
- 7) Masks will remain optional. Please remember to respect others and their decisions whether or not to wear them. Also respect and give space to those who wish to social distance.
- 8) At this point we will continue to disinfect the sanctuary between worship services.
- 9) We will continue to allow outside groups to use our facilities. Such as: Karate, CEF, Scouts etc. They are responsible to disinfect after using our facility.
- 10) All of these changes have already taken effect.

Offering plates are located at each of the entrance doors to the sanctuary for you to place your offering when you enter before the service. You may also continue to place your offering in any of the three offering boxes in the foyer, give on-line through our web page, or by mail.
