

VOLUNTEER APPRECIATION

How do I express THANKS to all of you who have given of your time to serve the Kingdom of God? Whether you serve in the nursery, bake cakes, do maintenance, serve in tech or music, greet people, or any of the other 54+ ministries in our church . . . please know that what you do has great value!

Whether you see it or not, your efforts to serve God and His Church impact **many lives each and every week!** I can't mention every ministry and every volunteer (because I know some would be missed), but what I can do is encourage all of you to keep the mission in mind.

We were blessed to have over 180 people within our church family who volunteer **to help in various ministry tasks.** To say **THANK YOU just doesn't seem like** enough! That is why the church staff and their spouses hosted the Volunteer Appreciation Banquet on January 28th. It was a small way to show our appreciation. A total of 101 volunteers and children attended the meal and were served a delicious appetizer, salad, pasta and mouth-watering deserts!

After the meal, guest speaker Colleen Gross, Director of Pastoral Family Health, shared words of encouragement about the importance of those who volunteer in the church **and that we should always be looking at the "why" of why** we do things to serve the Lord.

Let the word of Christ dwell in you richly, teaching and admonishing one another in all wisdom, singing psalms, hymns and spiritual songs, with thankfulness in your hearts to God. And whatever you do, in word or deed, do everything in the name of the Lord Jesus, giving thanks to God the Father through him. Colossians 3:16-17 ESV

A special thanks goes out to Pastor Shawn for leading the group in a time of worship, the team from Doubling Gap Church for supplying a program for the children and to Anna Leaphart for putting her baking skills to work to provide the variety of delicious homemade deserts!

If you feel God calling you to volunteer in a particular ministry of our church, or maybe searching as to where you can serve, feel free to reach out to me . . . I would love to talk with you to see how God can use you at The Connection Place

where you can help others "Get Connected"!

Serving You,
Pastor Wayne

Attention All Youth!

We want to invite you to a fantastic weekend in March personally! (3/15-17/24) The annual youth retreat is a tremendous opportunity for students (grades 6-12) to unplug from the craziness of life and plug into friends and faith. This year, our theme is Divine Partnership based on 2nd Peter 1:3-10. One of the things that we as a local church body and especially as a youth group have been focused on is our partnership with God and focusing on how God has created us uniquely and individually for unity in the Spirit to build God's kingdom collectively. We feel so strongly that today's students are not the next generation of leaders and world changers but the NOW generation.

In addition to dynamic speakers, including our very own Pastor Heidi Guyer, we have a variety of activities, snacks, worship opportunities, and other fun things planned for this weekend, including the chance for a student to pie their youth leader of choice in the face! Students who invite friends will have a greater chance of getting to do this and, even better, will cut some of the cost of their registration fee. Whether you send a student (or five), are willing to donate your time as part of the retreat team, or use your finances to help offset the costs of registrations and supplies, we are excited to ask for you to prayerfully consider partnering with what God is already planning to do at this retreat. In the meantime, we ask for your prayers for the students, staff, and leadership team as we all prepare for this potentially life-changing experience.

For more information, please feel free to reach out to Pastor Shawn: pastorshawn@tcp.church/856-553-3221 or any of our youth leaders!

Ash Wednesday
— Lent Begins

February 14th

It's hard to believe that it was in January of 2016 that the first PAW Packs were taken to Newville Elementary School. It doesn't seem that long ago. We are now beginning our ninth year of fighting childhood hunger in our community. I've never counted how many churches are in our community, but I know that we received monetary or food donations from 23 of them this past year. Some of these churches are quite small, but they still make helping us one of their missions. We also have the support of many local businesses and organizations, as well as many, many individuals who care about the well-being of children. God has richly blessed this ministry. **Those first food bags went to 16 children as part of a pilot program which quickly grew. Now each week we prepare for around 275-300 children.**

It takes a lot of food to feed that many children! For example, we send home more than 1100 single serving boxes of cereal every month to our school children and use another 200 boxes of family-sized cereal to give to the families who pick up food here at the church. The canned vegetables that you donate go in and out of our cabinets quite quickly as we try to send two types home for the children each week, usually using 70-80 cans of each. Your donations definitely help so please keep them coming. We especially need corn and peas.

Please continue to pray for the children and families in our community that struggle to put food on the table every day. Pray too for our volunteers who work tirelessly to help this mission succeed. Thank you all for your support over the years. Together, all of us are making a difference in the lives of these children.

The next PAW Packs meeting is February 6 at 6:30 pm.

If you're heading to the grocery store, remember to pick up a few cans of peas, corn and/or green beans for Paw Packs.

You can bring them to the church.

Let's do it for the kids! #ForNewville

1. Pray for those dealing with flu, colds and other health issues. Pray there will be a good outcome as people's immune systems can kick in and common sense prevails.
2. Praise God that we can enjoy things without owning them. Seeing things, whether it's an object or a beautiful sunset, etc. is a priceless gift.
3. Pray for those with eye/vision problems, that they will be healed, if possible and no other injuries occur.
4. Pray for criticizers, that they will stop breaking down the spirits of others. There may be a reason they feel the need to put others down to make themselves feel better, but no excuse for hurting others.
5. Praise God for giving each person one or more special spiritual gifts, even if we don't recognize it. Don't be afraid to use it to serve God.
6. Pray for the children's youth ministries as they reach out and touch so many young people for Jesus. Differences are truly being made that will affect these kids for life and future generations. Pray for creativity and stamina for all involved. Pray that many more will come to know Jesus.
7. Praise God for the Bible, His written word. Pray for people who can't read or can't possess a Bible, that they would hunger for it's message. We are so blessed, but take it for granted.
8. Pray for those contemplating abortion, that they will consider the outcome before they go through with it. Pray they will be helped through the circumstances and be blessed. Pray that those who have gone through it will come to Jesus and find peace, and that the doctors who perform the abortions will be deeply convicted.
9. Pray for all the men and boys of our church, that each one will grow up in Christ's likeness and bring others to Him.
10. Pray for those who are struggling financially in the economy. Praise God for the Food Bank and Paw Packs and other wonderful ministries that we can contribute to. But there are so many other needs out there. Pray there will be help for those in the greatest need.
11. Praise God that He does listen to our prayers and does answer even if it's not always the way we wish. He is God. He has much more info and insight than we do. Still He tells us to ask.
12. Pray for our council as they meet to work on solutions to make our church more intriguing to the unchurched to get them in to hear the salvation message and helping the saved to grow in their relationship with Jesus.
13. Praise God that there are people who love you. You may not realize who they all are, but you are truly more special to others than you think.
14. Pray for all of your loved ones, for good health and their salvation. While you are at it, pray for someone who is lonely and for someone you really don't care for all that much.
15. Pray for those who have received transplants, that there will not be any rejections or complications, but great health for all. Pray for the donors and their families, too.
16. Pray for all the women and girls of our church, no matter what age. Each one is important to Jesus and has a part to do in His plan for now and eternity.
17. Pray that as Christians, we will be good witnesses for Christ and not fall into the traps that some non-Christians set. We do not want to disappoint Christ or to give others reason to call us hypocrites, using us as an excuse to turn away from God.
18. Praise God for those who do small kindnesses each day. Has someone helped you in the past? Can you do a small unexpected favor for someone else today? What about some small act everyday? Even a prayer for someone is a kindness.
19. Everyone has some unspoken prayer need. Pray that those righteous needs will be answered.
20. In this day when there is so little thought for others, pray that those in our church and community that they can feel loved and accepted and will radiate that peace out to others. We all sin, but there are people out there who feel defeated, deserted and hopeless that anyone will ever care for them. They need Jesus, but they need somebody to show Him to them.
21. Praise God if you can eat and enjoy anything that you want. Some people have digestive issues or allergies. Some have no access to food for different reasons. We take our meals for granted. To many in this world, a small snack would seem like a feast.
22. Pray for Pastor Wayne, Elaine and their family, along with all the other pastors and their families, especially in our church. We are blessed to have so many, serving in various capacities.
23. Praise God that warmer weather is coming. Don't give up hope.
24. Pray that our government leaders will follow our constitution and not make choices that get them what they want personally, at the expense of the citizens. Pray for their salvation and conviction to do what is right in God's sight, and actually work together.
25. Pray for Christians in countries where they are persecuted. There are pastors and missionaries in other countries who have been preaching the Gospel and imprisoned for it, beaten and tortured. There are people, including children who have accepted Christ and being killed for not turning away from Him. Pray for these people to stay strong and be released unharmed. Also that if, when it get to that point here, we will be able to stay strong in Him.
26. Pray for our church leaders. Everyone who preaches, teaches or leads in some other way. Pray they will be able to communicate important truths to others. They also get a lot of hard questions to answer and a lot of studying to do. Yet they serve in these ministries with patience and grace. Pray for their strength and no burnout.
27. Pray for our troops and First Responders as they work and put their lives on the line to keep us all safe. Pray for their safety and total well being. Also, for their families here at home who are missing them desperately. Pray for safety for those deployed overseas, too.

28. Pray for those hurting and are unkind to people, that God will stop them from all abuse and change their hearts. He changed Saul into Paul and He can do unimaginable things with people today, too. Pray their evil plans will be thwarted.
29. You get a Bonus Day this year. What will you do with it? Is there an act of kindness you can do? Is there a special devotional item you have been wanting to read/do? Many of those items won't take long. Even a couple extra prayers for those you meet, especially strangers could make an eternal difference. You will just never know until you get to Heaven what a huge effect your prayers may have on someone's life.
