“Strategic Prayer”

How do we build prayer into our life to be part of our spiritual DNA?

- ➡ UNDERSTAND:
- ➡ PRIORITIZE:
- ➡ REACTIVE:
- ➡ PROACTIVE:
- ➡ STRATEGIC:

How to have a STRATEGIC prayer life in your daily routine:

1. Follow the ACTS prayer strategy
 - a. A = Adoration (praise God for who He is)
 - b. C = Confession (admitting temptations and sin)
 - c. T = Thanksgiving (give thanks and express gratitude)
 - d. S = Supplication (praying for others)
2. Make list of people to pray for (family, friends, leaders)
3. Pray for those who need Jesus
4. Participate in “Adopt a Student” prayer ministry
5. Establish some “Prayer Triggers”
6. Be proactive in “Drive-by” praying (church, schools, friends)
7. Text someone a prayer (short, simple, different person)
8. Make a daily prayer calendar
9. Follow daily prayer guide in The Connection newsletter
10. Write/journal prayers (and answers to prayers)
11. Reading/watching daily news (pray for events happening)
12. Pray with a friend, spouse, children
13. Continue morning, nighttime and meal prayers

The earnest prayer of a righteous man/woman has great power and wonderful results. James 5:16
